[Issued patents](#)

[Applications](#)

[APPLICATION] [Distributed network voting system](#)

US Pat. 10342909 - Filed Jan 14, 2003

[0130] The ballot **receiving** block 814 forwards to the trouble resolution ... or a single **election** may be performed using a **distributed** network of election ...

[APPLICATION] [Distributed-leader-election service for a distributed computer system](#)

US Pat. 11523442 - Filed Sep 18, 2006

Moreover, the leader-election-service processes in a **distributed** computer ... callback routine by which the client can **receive** requests related to the role, ...

[Electing a master server using election periodic timer in fault-tolerant ...](#)

US Pat. 6889338 - Filed Sep 25, 2001 - Nortel Networks Limited

A fault-tolerant server group in **distributed** dynamic network systems, ... is associated with an **election** mechanism enabling 45 said fault-tolerant server ...

[Scalable distributed computing environment](#)

US Pat. 5793968 - Filed Mar 10, 1997 - Peerlogix, Inc.

If the child does not **receive** a heartbeat acknowledgement, ... Because the **Election** is fully **distributed**, each kernel separately conducts the **Election** and ...

[Node management in scalable distributed computing environment](#)

US Pat. 5699351 - Filed Mar 28, 1996 - Peerlogix, Inc.

Messages d) through would abort its Role Call after **receiving** kernel NS's ... If kernel NS's creden-PIPES kernels engage in a **distributed Election** (FIG. ...

[APPLICATION] [Method and system for strong-leader election in a distributed computer system](#)

US Pat. 11523430 - Filed Sep 18, 2006

13 illustrates an exemplary **distributed** computer system in which strong-leader **election** may be practiced according to methods and systems of the present ...

[System and method for automatic selection of service provider for efficient ...](#)

US Pat. 7620816 - Filed Apr 27, 2005 - McAfee, Inc.

SUMMARY OF THE INVENTION A system and method for **distributed** function discovery ... generally comprising **receiving** a digitally signed **election** initiating ...

[System and method for distributed function discovery in a peer-to-peer ...](#)

US Pat. 6983326 - Filed Aug 2, 2001 - Networks Associates Technology, Inc.

packet and digitally signed **election** result packet may be signed by a 1024-bit ... generally comprising **receiving** a 5 digitally signed **election** initiating ...

[Maintaining process group membership for node clusters in high availability ...](#)

US Pat. 7627694 - Filed Mar 16, 2001 - Silicon Graphics, Inc.

In some embodiments, CMD performs an **election** each time there's a change in the **receive-set**. This is not strictly necessary and in alternative embodiments, ...

[Method for monitoring and recovery of subsystems in a distributed/clustering ...](#)

US Pat. 5805785 - Filed Feb 27, 1996 - International Business Machines Corporation

The process of **election** in each ERCM is initialized in block 831 by setting to UNKNOWN ... on **receiving** all answers, a PREPARED message needs to be sent; ...
